2019 The Auction Buffet and Auction and the Awards Banquet

These are two of the premier events at the national specialty. Both newcomers to the breed and seasoned fanciers whose bookshelves, curio cabinets and walls are maxed out with Chow collectibles, artwork and books never miss the auction as every year presents an entirely different array of unique surprises and rare objects, many of which cannot be acquired elsewhere if not acquired at the auction. Bidding can be fast and intense for some of the most desirable items.

The Awards Banquet is where the Club recognize those who were awarded the top honors at the national specialty show and obedience trial as well as those who had a stellar awards year in the show ring or in the whelping box. It is an opportunity to visit with these achievers to learn their paths to these successes.
