Fee Schedule

A $10 fee will be charged for each title application sent to the CCCI Treasurer. Members may choose to receive a frameable certificate for no additional fee; or may purchase an engraved medal for an additional $5; or a plaque for an additional $10. The current Awards Budget will cover the difference between application fees and actual cost. The CCCI Board may raise the fees to cover the cost of the awards at their discretion.

Persons submitting for a Versatility award are to get written confirmation within 45 days. The communication will serve to either advise that the CCV submission was incomplete or incorrect for specified reason(s) or that the award has been earned and the CCV title is confirmed from date of communication. A certificate will be awarded at the next Annual Awards Presentation.

A list of current qualifiers is to be published in Chow Life. The Awards committee is to be responsible to forward to Chow Life by the cutoff date for the upcoming issue.

Those applying by December 31st and being accepted for the CCV each year will be recognized at the Annual Awards Banquet with a Certificate.
